**HG** ASSOCIATES

New England's Source  
For The Best In  
Test & Measurement

**BPM Microsystems**

[www.bpmmicro.com](http://www.bpmmicro.com)  
universal device programmers  
manual & automated systems  
engineering & production solutions  
high speed flash programming

**Brandywine Communications**

[www.brandywinecomm.com](http://www.brandywinecomm.com)  
precision GPS time & frequency receivers  
(SA-ASM options)  
IRIG time code generators / time & frequency  
distribution plug in cards for  
ISA, PCI, CPCI, PMC, PC104, VME & VXI

**Cincinnati Sub-Zero (CSZ)**

[www.cszindustrial.com](http://www.cszindustrial.com)  
environmental test systems  
benchtop/walk-in/drive-in chambers  
temperature ranges: 84°C (-120°F) - 90°C (375°F)  
custom designed chambers available

**Curtis Wright / ACRA**

flight test data acquisition  
S & L band transmitters  
flight recorders  
ground solutions

**Despatch Industries**

[www.despatch.com](http://www.despatch.com)  
industrial ovens & furnaces  
bench top & lab ovens  
walk-in & truck-in ovens  
conveyor ovens

**EATON / PULIZZI**

[www.pulizzi.com](http://www.pulizzi.com)  
intelligent power distribution  
AC rack mount power distribution  
AC transfer switches  
custom AC power distribution

**Endevco**

[www.endevco.com](http://www.endevco.com)  
PE, PR, IEPE accelerometers  
dynamic pressure transducers  
signal conditioning, modal hammers  
calibration products & systems

**GP:50**

[www.gp50.com](http://www.gp50.com)  
pressure transducers & transmitters  
industrial/test, sanitary/flush diaphragm, process control  
level, aerospace, temperature

**Intepro Systems**

[www.inteproate.com](http://www.inteproate.com)  
power test solutions  
AC sources, AC loads  
DC sources, DC loads  
ATE test systems & software

**Interface**

[www.interfaceforce.com](http://www.interfaceforce.com)  
precision load cells/force sensors  
torque sensors/transducers  
calibration systems & instrumentation  
custom force sensors solutions

**Lion Precision**

[www.lionprecision.com](http://www.lionprecision.com)  
eddy current sensors  
custom probe solutions  
spindle analysis  
high performance capacitance sensors

**Measurement Specialties  
TE Connectivity**

[www.te.com](http://www.te.com)  
OEM pressure & position sensors  
fluid property sensors  
piezo film sensors  
photo optic sensors  
humidity sensors

**Perceptive Industries**

[www.perceptiveindustries.com](http://www.perceptiveindustries.com)  
custom industrial oven solutions  
industrial ovens and dryers  
HD series batch oven  
thermal oxidizers / fume abatement  
heat recovery systems

**ZEUS Battery Products**

[www.zeusbatteryproducts.com](http://www.zeusbatteryproducts.com)  
battery design & engineering  
soft packs & hard plastic enclosures  
lithium (Li-Ion, Li-Poly, LiFePO4, LiMnO2)  
alkaline, NiMH, NiCD, sealed lead acid, silver oxide
