intelligent power distribution
AC rack mount power distribution
AC transfer switches
custom AC power distribution

Endevco

www.endevco.com
PE, PR, IEPE accelerometers
dynamic pressure transducers
signal conditioning, modal hammers
calibration products & systems

GP:50

www.gp50.com
pressure transducers & transmitters
industrial/test, sanitary/flush diaphragm, process control
level, aerospace, temperature

Intepro Systems

www.inteproate.com
power test solutions
AC sources, AC loads
DC sources, DC loads
ATE test systems & software

Interface

www.interfaceforce.com
precision load cells/force sensors
torque sensors/transducers
calibration systems & instrumentation
custom force sensors solutions

Lion Precision

www.lionprecision.com
eddy current sensors
custom probe solutions
spindle analysis
high performance capacitance sensors

**Measurement Specialties
TE Connectivity**

www.te.com
OEM pressure & position sensors
fluid property sensors
piezo film sensors
photo optic sensors
humidity sensors

Perceptive Industries

www.perceptiveindustries.com
custom industrial oven solutions
industrial ovens and dryers
HD series batch oven
thermal oxidizers / fume abatement
heat recovery systems

ZEUS Battery Products
