

New England's Source
For The Best In
Test & Measurement Solutions

please feel free
to contact our office for any
application information or
demonstrations you may
require at your facility

salespeople located:
exeter, new hampshire
lowell, massachusetts
cranston, rhode island
newport, rhode island
syracuse, new york
rochester, new york

NEW ENGLAND'S SOURCE FOR: SENSORS, DATA ACQUISITION, TEST INSTRUMENTATION & THERMAL SOLUTIONS

BV Thermal Systems

www.bvthermal.com
chillers & heat exchangers
bench-top, rack mount, OEM
air-cooled, water-cooled & non-refrigerated options

Cincinnati Sub-Zero (CSZ)

www.cszproducts.com
environmental test systems
benchtop/walk-in/drive-in chambers
temperature ranges: 84°C (-120°F) - 90°C (375°F)
custom designed chambers available

Curtis Wright/ ACRA / TTC

www.curtiswrightds.com/avionics
flight test data acquisition S & L band transmitters
flight records
ground solutions

Dataforth

www.dataforth.com
signal conditioning
data acquisition
data loggers

Despatch Industries

www.despatch.com industrial ovens & furnaces
bench top & lab ovens walk-in & truck-in ovens
conveyor ovens

Data Physics

www.dataphysics.com
vibration controllers & shakers
amplifiers & slip tables
dynamic signal analyzers

Yokogawa

tmi.yokogawa.com
power meters & analyzers
digital storage scopes to 128 channels
data acquisition systems - low & high speed

Dytran Instruments, Inc.

www.dytran.com
piezoelectric & DC MEMS accelerometers
force & pressure sensors
electronics, cables & vibration accessories

Eaton / Pulizzi

www.pulizzi.com
intelligent power distribution
AC rack mount power distribution
AC transfer switches
custom AC power distribution

Equilam North America

www.equilamna.com
accelerated corrosion testing
salt spray, acid spray all fiberglass construction

GP:50

www.gp50.com
pressure transducers & transmitters
industrial/test, sanitary/flush diaphragm
process control, level, aerospace, temperature

GRAS sound & vibration

www.gras.us
standard measurement microphones
sound intensity microphones
artificial ears & simulators
preamplifiers & calibrators

GW Instek

www.gwinstek.com
oscilloscopes & spectrum analyzers
signal sources, AC, DC power supplies
loads, digital & LCR meters

Interface

www.interfaceforce.com
precision load cells / force sensors
torque sensors / transducers
custom force sensor solutions
calibration systems & instrumentation

TDK-Lambda

www.us.tdk-lambda.com/hp
programmable 750w to 90kw DC power supplies
LXI, Ethernet, IEEEW-488, RS232 & USB
made in the USA with a 5 yr warranty

Mecmesin

www.mecmesin.com
tensile and compression testers
materials testing, torque testing
custom grips, fixtures or entire systems

Lion Precision

www.lionprecision.com
high performance capacitance sensors
eddy current sensors
custom probe solutions
spindle analysis

Perceptive Industries

www.perceptiveindustries.com
custom industrial oven solutions
industrial ovens & dryers HD series batch ovens
thermal oxidizers / fume abatement
heat recovery systems

RDP Electrosense

www.rdpe.com
displacement transducers
signal conditioning
data acquisition

Sherborne Sensors

www.sherbornesensors.com
inertial inclinometers & accelerometers
wireless solutions & instrumentation
repair & calibration
